

## Employment For Olympics Will Be Subject Of Meets

### Truckee, Kings Beach To Be Sites For Hearing Applications

Mountain area residents interested in employment during the Winter Olympic Games team trials at Squaw Valley February 18 to March 2, 1958, and the Eighth Olympic Winter Games in 1960, today were urged by the California Department of Employment to obtain and submit the necessary applications for work.

Ralph A. Pile, manager of the department's Auburn Local Office, said work applications will be distributed to King's Beach-Tahoe City area applicants at Lake Tahoe Labor Temple corner of Deer and Rainbow Streets, Kings Beach on December 16, and at the Tahoe-Truckee High School in the library room in Truckee on December 23. Residents of the Lake Tahoe South Shore area will have the same opportunity to obtain and file employment applications in the near future at a time and place which will be announced.

Job opportunities will exist in a wide range of skilled, semi-skilled occupations and in a number of professional and clerical occupations and in a number of professional and clerical occupations. Particulars about individual jobs will be obtainable when the applications are distributed, Pile announced.

The department of employment is cooperating with the Nevada State Employment Service and the management of the Olympics in surveying the available labor supply in the immediate vicinity of the site of the international winter sports classic.

Robert Search, winter Olympics personnel director, said:

"Because of the acute housing shortage which is expected to prevail throughout the area during the trials next year and the 1960 games themselves, it is imperative that the best possible use be made of available local labor. We have asked the California Department of Employment to analyze the labor market and distribute preliminary job applications.

"The management of the winter Olympics," the games executive continued, "has pointed out the significance for international relations of the jobs necessary to stage the games. We shall be hosts to more than a thousand of the world's finest athletes representing some 35 nations. The impressions our guests take home with them will be in a large measure created by the persons who man the games and related activities."

## No Free Trees In National Forest

No Christmas trees for free. This policy, established last year, is still in force this year, Supervisor Henry Branagh of the Tahoe National Forest announced.

The family expedition into the woods to get a Christmas tree was a happy occasion, held over from frontier days, and no one is sorrier to see it go than the forest service, Supervisor Branagh explained. In former years there were plenty of seedlings, Christmas tree size, in the forest and not very many people. Now the situation has reversed. Today there are too many people and not many trees.

In some locations timber stand improvement justifies the cutting of Christmas trees as a thinning operation under careful supervision. In such places commercial sales are still in order, Branagh said.

## REPUBLICANS WILL DISCUSS CANDIDATES

A joint meeting of the republican central committees of Placer, Nevada and Sierra counties will be held December 12 in the evening at the Gold Center Club between Grass Valley and Nevada City.

Ralph Schorr, chairman of the Nevada County group, said the meeting is designed to give all republican aspirants to the position of state senator an opportunity to express themselves and seek the endorsement of the tri-county committees.

Those desiring to attend should make reservations by December 10 by calling Grass Valley 168 or by writing P.O. Box 185, Nevada City. The meeting is open to wives.

## TWO BIRTHS AT LOCAL HOSPITAL REPORTED

Thanksgiving Day, November 27 is the birth date of David Trent, son of Mr. and Mrs. Gordon Butterfield of Tahoe City. Young David weighed 6 pounds, 13 ounces upon his arrival at Tahoe Forest Hospital.

On December 1, Debra Marie was born in the hospital to Mr. and Mrs. Virgil Maldonado of Truckee. The little girl's arrival weight was 6 pounds, 14 ounces.

## Clothing Drive To Be Held By School Here Next Week

Beginning Monday, local high school students will bring bundles of used clothing to school during World Clothing Week. According to High School Principal C. W. Sciutto, the drive will continue through Friday and is part of a nation-wide campaign to raise enough used clothing, shoes and bedding to clothe one million orphaned and needy children and adults in the United States overseas.

World Clothing Week is conducted by the school in cooperation with the Children's Fund, Inc., an international charitable organization which assists orphans and other needy children in the United States and 36 overseas.

C. W. Sciutto had this to say when announcing the drive:

"We expect World Clothing Week to be one of the finest service projects ever conducted by our school. The clothing collected is used in handicapped areas of America by C.C.F. to help needy children—some of whom can't even attend school regularly because they have no coat or shoes. It goes to aid orphans and other needy children and adults in the United States and overseas. Also, clothing and bedding is distributed during disaster emergency situations, such as occasioned by floods, tornadoes, or earthquakes. Every student has been given literature to take home explaining the purpose of the drive and asking the cooperation of parents and friends."

Send all types of wearable infants, children's and adult clothing and shoes to school during World Clothing Week. Students will also conduct a house to house drive at Truckee, Tahoe City and Kings Beach.

## Johnson On Tour Of Forest Areas

Congressman-elect H. T. (Bizz) Johnson, who is leaving this week with Mrs. Johnson to survey their new location at Washington, D. C., was a visitor here Tuesday while on a survey of the national forests of California conducted by Grant A. Morse, assistant regional forester of the U. S. Forest Service from San Francisco.

The five-day trip, which included all the forests in the district of the congressman, was made by plane and auto.

Accompanying Johnson and Morse to Truckee were Russell Le Baron, of the California Forest range and the range experimental station at Berkeley; Walter Hopkins of the research and Supervisor William Peterson of the Plumas National Forest.

The trip was made so that Johnson could better acquaint himself with the problems and programs of the service in his district.

Incidentally, Johnson announced that Jack Mattison of Red Bluff, who has been with Congressman Blair Engle for many years, is being retained as his assistant.

## HEALTH COLUMN TO BE PUBLISHED HERE

Through the cooperation of the state department of public health and the Nevada County Health Department, the Sierra Sun is pleased to publish frequent columns on health which are of vital interest in the public.

The columns are being submitted by L. D. Nelson, M. D., assistant county health officer of Truckee. The first of these columns, dealing with "The Silent Killer"—carbon monoxide, appears on another page of the Sierra Sun today.

Other articles will be concerned with safety hints for Christmas, the common cold, stress, keeping water pure, and similar subjects.

## Engleharts Observe 51st Wedding Date Today

Mr. and Mrs. William Englehart Sr., are observing their fifty-first wedding anniversary today with their family and close friends.

The well known couple who have spent all of their married lives here except for a very brief time are active in their business as well as lodge and social interests. Their many friends in the region join in wishing them many happy returns of the day.

## Chamber Names 1959 Officers At Wednesday Meet

### Important Business To Be On Agenda At Meet Next Week

Election of officers to head the Truckee Chamber of Commerce through what promises to be its most important year, is scheduled for the meeting to be held at Smart's on Wednesday, December 10 at a noon luncheon.

N. F. Dolley, president during the past year, with his corps of other officers, has accomplished a remarkable job of promoting the area and providing worthwhile programs throughout the year. Outstanding among these accomplishments were the new street lights, dedication of the freeway project, cooperation in conducting the courtesy school at Crystal Bay and several other similar projects.

It is pointed out that during the coming year in preparation for the 1960 Winter Olympic Games, the opening of the new freeways and the expected influx of more people than this area has ever been called upon to accommodate, the task of guiding the chamber will be a major one and one which will require the combined effort of everyone in the community.

A number of other important matters, Dolley announced, have been put on the agenda for Wednesday's meeting and the decisions will require a representative attendance from all members.

## Brundage Pleased By Games Conduct

Avery Brundage, president of the International Olympic Committee and a potent critic of any irregularity in planning, Wednesday commended officials in charge of the 1960 Winter Olympic Games and approved facilities under construction at the Squaw Valley site, a special dispatch to the San Francisco Examiner from Chicago reports.

His statement took cognizance of recent published criticisms and he is quoted as saying:

"It is apparent that altogether too much publicity has been given the vindictive attacks of discharged employees."

Brundage said he had received an enthusiastic progress report from J. Lyman Bingham, executive director of the U. S. Olympic Committee who visited Squaw Valley two weeks ago.

"The plans are being followed scrupulously and the work is ahead of schedule," he declared.

Brundage praised the ability and integrity of President Prentiss C. Hale and other members of the organizing committee.

Mentioning also Charles Blyth, chairman of the California Olympic Commission, he said: "We are fortunate to have men of such high caliber contributing their services."

"I feel certain that the games will be staged in a manner that will bring credit to California, the United States and the Olympic movement."

## PTA to Meet

The Tahoe Truckee High School P.T.A. will hold a meeting at the high school cafeteria on December 11. A report of the proceeds of the November scholarship dinner will be given by Mrs. Cozzi, treasurer. Miss Arlene Hope, librarian consultant from the California State Library will be speaker. She will tell what is needed to set up a public library in the community.

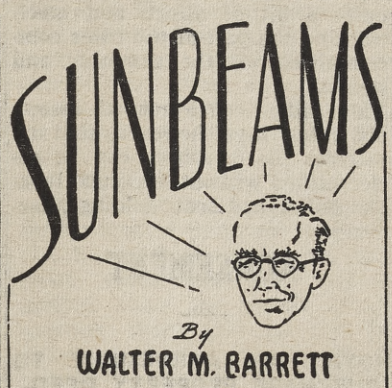

## A BOY FOR HARTS

Local friends of Mr. and Mrs. Deloy Hart of Auburn have received announcements of the arrival, November 28 of Gene Scott, their newest son. The lad weighed a husky 10 pounds, 2 ounces at birth.

Patient Here—Clarence Osburn was a patient at Tahoe Forest Hospital this week, his friends are hopeful for his early improvement of health.

## CHILD ILL

Little Michael Carnell, two years old son of Mr. and Mrs. Richard Carnell has been a patient at Tahoe Forest Hospital. The child apparently swallowed a medication at his home.

Thanksgiving is past and despite the beautiful weather which lulls one into disbelief, Christmas is but a few days ahead. May we suggest this year that you keep your list at home and learn how well the local merchants can supply your every want. You will find items galore at prices you can't beat and will be trading with a neighbor. Your money will be staying in the community to make this a better town in which to live. Think it over and we believe you must agree with us. Trading at home pays dividends.

When your chamber of commerce meets next Wednesday at Smart's you should be there. A number of vitally urgent matters, including the election of officers for the coming year, will be on the agenda. You can encourage the officers to even more effort if you show a willingness to cooperate, so make it a point to attend the meeting.

## Mailing Rules For Holiday Are Told

Postmaster Elizabeth C. Bavier yesterday outlined ten basic points for users of the mails to follow in order to assure prompt and safe delivery of their Christmas cards and gifts this year:

1. Address mail fully and clearly. Write legibly or print plainly and always use zone numbers for zoned cities in the address and return address.

2. Use the 4-cent letter rate on Christmas cards. Be certain a return address is printed in the upper left hand corner of both Christmas cards and parcels.

3. Do not enclose coins or hard objects of any kind in letters. Cellophane machines cannot process such letters and often damage the letter and contents.

4. Do not mail money in Christmas gifts or letters. For safety's sake, use postal money orders or checks.

5. Separate your letters to "Local" and "out-of-town."

6. Make certain that parcels are well packed and securely wrapped in strong containers. The carton should be wrapped in heavy paper twice.

7. Gifts of a delicate nature, such as glass, china, electrical appliances, radios and musical instruments, must be marked "Fragile" by the mailer. Food stuffs should be marked "Perishable" if subject to spoilage.

8. Insure parcels. Register letters of real value.

- Mail closes at 5:20 p.m. and Christmas cards and parcels should be mailed early in the day to avoid last minute rush and to assure being dispatched the day of mailing.

## BROTHERS FINED FOR ILLEGAL CUTTING

Cited before Judge F. W. Wilson of the Truckee Judicial District Court, the Busk Brothers of Hayward were fined \$150 for trespass and illegally removed trees from national forest land.

The Busk Brothers, operating under the firm name of Sierra Christmas Tree Company, were cited to Wilson's court by forest officers after being observed removing 99 trees from Tahoe National Forest lands north of Bowman reservoir, Ranger Roy Saarni reported.

In addition to the fine imposed by the court, the Busks were assessed double stumpage rates for the trees cut. Judge Wilson suspended \$100 of the fine when the defendants appeared in court on November 26.

Continual vigilance is being exercised by all forest officers to reduce the illegal cutting of trees on national forest lands without proper permits.

## BOARD TO MEET

The next meeting of the governing board of the Tahoe-Truckee Unified School District will be held in the Tahoe-Truckee High School, Tuesday, December 9, 1958.

## Ticket Prices For Olympic Games Have Wide Range

### Applications Available For Tickets To Games In 1960

Sports fans attending the VIII Olympic Winter Games at Squaw Valley will be able to see every skiing and speed skating event and a majority of the ice hockey games for \$5.45 a day on a season ticket basis, according to the admission prices released today by Prentiss C. Hale, organizing committee president.

The valley season ticket for the 11-days of activities to this once-in-a-lifetime spectacle February 18-28, 1960, will cost \$60 and will enable the bearer to see 15 skating and ski jumping events, eight speed skating races and at least 15 hockey games in addition to the colorful opening, closing and victory award ceremonies.

Daily tickets are priced at \$7.50. A valley season ticket purchaser will therefore effect a \$2.05 daily saving.

Choice seats will be the reserved seat ice arena tickets at \$200, plus a limited number of reserved loge seat ice arena tickets at \$250.

Holders of these arena tickets will have access to all competitive venues, inside and outside, including ringside seats at the ice hockey games, the finals of the figure skating events and the opening, closing and victory award ceremonies.

The 11,000-seat ice arena will be covered, thereby insuring arena season ticket holders protection from the weather.

More than 10,000 ticket requests have been received to date by the organizing committee. Daily ticket sales will be limited to approximately 30,000, the valley's capacity.

Ticket applications may be obtained through the Organizing Committee Headquarters, 333 Market street, San Francisco 5.

At the present time the following 33 nations are scheduled to compete: Argentina, Australia, Austria, Bolivia, Canada, Chile, Czechoslovakia, Denmark, France, Germany (east and west), Great Britain, Greece, Hungary, Iceland, Iran, Italy, Japan, Lebanon, Liechtenstein, Netherlands, New Zealand, Norway, Poland, Romania, South Africa, South Korea, Spain, Sweden, Switzerland, Turkey, United States of America, U. S. S. R. and Yugoslavia.

## WORK DELAYED BY DAMAGE ON RINK

Children who persist in damaging the ice rink south of town are delaying the use of the pond, Daven Morey, manager of the Truckee Public Utilities District, declared this week.

Rocks, boxes and sheet metal are being thrown in the pond destroying the work being done to get the rink ready.

"There has been considerable time and money spent by the district and interested individuals trying to get the rink in good shape for skating," Morey declared, "and the youngsters are destroying the work as fast as it is being done. It is earnestly requested that the children stay away from the rink until it is ready for use. The local sheriff's office plans to patrol this area to prevent further damage."

## MRS. RANDALL HEADS WYETHIA CLUB HERE

Mrs. W. D. Randall will be installed as president of the Wyethia Club, to be held in the edifice at 8 o'clock, Friday, December 5.

Mrs. Robert Bick, past president of the organization will act as installing officer when the new officers will be seated. Mrs. M. C. King was chosen as vice president; Mrs. William Davis, secretary; Mrs. Fosten Wilson, treasurer and Mrs. Elizabeth Bavier, auditor.

Mesdames Dan Horman, Erwin Single, E. L. Brown, will be hostesses for the evening, Mrs. Glenn Miller arranging the decor for the occasion.

The program will include an entertainment of dance recital pupils of Miss Rene Hall.

Members are requested to attend and take guests, and mothers of the dancers are also cordially invited.

Mr. and Mrs. Ed Sardi have been spending the past week at San Francisco.

## Basketball Season Opens Friday On Local High Court

Sierra College basketball players will open their season Friday night against Lassen College of Susanville in the Tahoe-Truckee High School gymnasium at 8 p.m.

The game was scheduled for this area as part of the policy of Superintendent Harold M. Weaver to allow all regions in the Sierra College district to view some of their teams first hand.

Coach Ken Hashagen of Sierra has named a squad of 17 players for the season, including two graduates of the Tahoe-Truckee High School, L. J. Robinson and Ken Osburn.

Hashagen has a tall squad this season, headed by six-foot six inch Bob Wright of Auburn, who played center for Placer Union High School last winter. Donald D. Goldsberry, a starting forward for the game at Tahoe-Truckee, stands 6-5. He comes from Roseville. The other starting forward is Peter Melhus, a six-footer from Quincy. He has impressed during November workouts.

Starting guards are Tim Burke of Staton Island, N.Y., who was a regular last season, and Terry Bandera, a freshman from Placer Union High School of Auburn.

Also slated for action during the game are Robinson and Osburn at guards, and Bob Knezevich and Larry Helmandollar at forwards. When this group plays, Goldsberry is generally moved to center.

Last year, Lassen and Sierra split two games at Susanville. Dave Nelson, the Lassen coach, has had good teams for the past two seasons.

Sierra last season finished Golden Valley Conference play with a 5-5 record.

## Local Ambulance Service Is Sold

John Lloyd and Jack Ellis this week announced they have sold their Truckee Ambulance Service to Mr. and Mrs. Roland Garwood of Truckee and will devote their full time to the operation of their own individual business, Ellis as Shell distributor, and Lloyd at his Shell station.

The two purchased the business some time ago from N. F. Dolley.

Garwood is an experienced mechanic and had considerable work as a corpsman in the service thus being well qualified for the new duties. He is also associated with Alvah Hooper at the Truckee Colonial Mortuary.

The new owner has lived in this area ten years and operated the garage at Squaw Valley. The Garwoods reside in the Titus apartment on Church Street.

The service will be continued on the same day and night basis with the two ambulances.

## ROTARY CLUB WILL DISTRIBUTE GIFTS

KINGS BEACH—A worthwhile idea was presented at the December 1 meeting of the Brockway Club for their pre-Christmas party to be held December 15 in the Crystal Bay Club, when gifts will be taken by the Rotarians, their ladies and other guests to be distributed to the children of Sunny Acres Orphans Home at Carson City, Nev.

The superintendent of the school will be a guest speaker at the coming event.

Dr. Alan Sklar presided at Monday's session when discussion was held on the conference of District 519 of Nevada and California Rotary Clubs to be held May 14, through 16 with the Brockway Rotary Club as host.

Fred Schultz said that the spring conference members will be present from clubs from Sacramento to Elko, Nev., bringing approximately 1500 people into the area.

Gordon Moyer, conference chairman of the Tahoe City Rotary and Robert Tonini of the Sierra Pacific Power Co. at Tahoe City were guests.

## Resigns Post

KINGS BEACH—Franklin H. Tuttle, former chief deputy district attorney of Placer County, has announced his resignation from government service to devote full time to his private law practice at Auburn and at his Tahoe branch office at Kings Beach.

## Man Is Killed As Car Hits Truck On Summit Road

### Passenger Seriously Hurt In Headon Collision At Norden

One man was killed and a second seriously injured in a headon automobile collision on Donner Summit at 5:15 a.m. Monday.

Sergeant Frank Snyder of the California Highway Patrol said the mishap apparently occurred when a sports car registered to Wilbur Roland Shepard, 24, San Bruno, who was killed, was traveling at a high rate of speed and collided on the wrong side of the highway with a car driven by Robert C. Telford, 37, Greenwood.

Telford was not injured, but the second occupant of the sports car, Robert Hellig, 22, South San Francisco was taken to the Tahoe Forest Hospital with serious injuries to his head and legs.

The Shepard car was traveling east when it met the Telford car head on.

The accident occurred just a few hours after the long Thanksgiving Day weekend had passed without a single mishap of any reportable nature in the area.

## Odd Fellows Will Attempt To Form

All residents of the Truckee, Squaw Valley, and Lake Tahoe areas are urged to attend the re-organizational meeting for Donner Odd Fellows Lodge No. 162 on Saturday December 6th in the Truckee Odd Fellows Temple.

Mrs. Ben King, noble grand of Naomi Rebekah Lodge No. 2 of Truckee is chairman of the meeting and invites all Odd Fellows, Rebekahs, former members of the order, and prospective members to attend this meeting.

In addition to providing a old folks home and a childrens home in California the Odd Fellows and Rebekahs have carried on a active community service program throughout the state. An organized youth camp is in the process of being developed by California Odd Fellowship, and during the past two years the membership in California has helped to raise nearly one million dollars for the California Heart Association. The order in California raised nearly half a million dollars to construct the occupational therapy building at the California Veterans Home at Youthville as a memorial to all Odd fellows and Rebekahs who lost their life in the service of their country.

Those interested in attending this organizational meeting and obtaining additional information are urged to contact Mrs. King, phone LUther 7-3114; Wayne Phillips, Tonini's Grocery Store; or Leonore Vind, phone LUther 7-3786, all of Truckee.

Donner Odd Fellows Lodge is nearly 100 years old, and up until the past several years it has been an active representative of Odd Fellowship in this community.

Right from the very founding of American Odd Fellowship in Baltimore, Maryland on April 26 1819, the aiding of others was made the foundation of the fraternity. The objects and purposes of the order, laid down by Thomas Wildey, the American founder, are to "Visit the sick, relieve the distressed, to bury the dead, and educate the orphan," and years later when Schuyler Colfax, who was to become vice president of the United States, wrote the Rebekah degree, he proclaimed that Odd Fellowship's mission was to be "Guardian of the widow, and father to the fatherless."

Word was received by friends here yesterday telling of the death in Grover City of Vernon Sadocchi, a former well known Truckee resident. His brother, Elmer, a frequent local visitor, said Sadocchi expired in his sleep, apparently the victim of a heart ailment.

## VERNON SADOCCHI EXPIRES IN SOUTH

Word was received by friends here yesterday telling of the death in Grover City of Vernon Sadocchi, a former well known Truckee resident. His brother, Elmer, a frequent local visitor, said Sadocchi expired in his sleep, apparently the victim of a heart ailment.

## FIRST BROKEN LEG IN SKIING TREATED

Saul Wintchel of San Francisco had the misfortune to break his leg at the first of the season while skiing November 30 at Squaw Valley. He is a patient at Tahoe Forest Hospital.

## Honored At Lunch

Mrs. Edythe Deaton, commercial district clerk for the Bell Telephone Company at Reno, was recently honored at a luncheon given in the Hidden Valley Country club when she was presented with a gold pin, denoting 20 years with the company.

Mrs. Deaton is a former local resident where she was employed by the concern.

Donald Matson, soon to be discharged from the U.S. Navy was a guest last week of Mr. and Mrs. Roy Waters.

SACRAMENTO (CNS)—Transition of the working operations of the state legislature from the old and established practice of having a 30-day recess, to a continuous session, as voted by the people in Proposition No. 9 at the November 4 general election, is going to take quite a bit of effort, and much work on the part of the rules committees of the assembly and senate.

Alan Miller, chairman of assembly rules, says, however, that he believes the transition can be accomplished without too much trouble. Miller has been holding hear-

#### AGREEMENT

NOTICE OF AGREEMENT TO PURCHASE PROPERTY DEED-ED TO THE STATE FOR DELINQUENT TAXES

NOTICE IS HEREBY GIVEN in accordance with the provisions of Division 1, Part 6, Chapter 8 of the Revenue and Taxation Code and the written authorization of the State Controller that an agreement, a copy of which is on file in the office of the Board of Supervisors of Nevada County, has been made between said Board of Supervisors and the State of California, Acting by and through the Department of Public Works and approved by the State Controller, whereby said County will sell to said State of California, under the terms set forth in said agreement all the right, title and interest of the State of California in and to the real property hereinafter described.

That unless sooner redeemed, the undersigned Tax Collector, pursuant to said agreement will, not less than 21 days after the first publication of the mailing of this notice as required by law, which ever is later, sell said property to the State of California.

That upon the sale of the property the right of redemption will cease. For information as to the amount necessary to redeem apply to John T. Trauner, Redemption Officer of Nevada County in the Court House in Nevada City, California.

The property referred to and contained in said agreement is situated in the County of Nevada, Truckee, State of California, and is substantially described as follows:

In Donner Camp, Bucknam Tract, Lot 3 Blk 199—Last assessed to Bessie Goodfellow.

In Donner Camp, Buckman Tract, Lots 9 and 10, Block 211—Last assessed to L. G. McGlashan. Dated: At Nevada City, California, this 4th day of December, 1958.

ELMA HECKER,  
Tax Collector, of the County of Nevada, State of California.

First Publication, December 4th, 1958.

Second Publication, December 11th, 1958.

Third and Last Publication, December 18th, 1958.

#### THE OLD TIMER

"The man who takes things as they come may have a philosophical attitude—or he may be trying for a base on balls."

ings on the subject, which is being discussed by the rules committees, and announced he would call another meeting about the middle of December to wind up the details.

The first problem encountered is that of bill introduction. In the past, senators and assemblymen were permitted to introduce all the bills they wanted to introduce during the 30-day period following the opening of the session on the first Monday in January.

Under the new constitutional amendment, however, bills may be introduced at any time, and may not be acted upon until 30 days following introduction. This means, of course, that the legislators will have ample opportunity to introduce as many bills as they choose during the first 30 days, and theoretically, at least, could complete action on these bills in 60 days after the opening of the session.

However, legislators do not look for any such Utopia, because of the normal delays on bill action, the hearing demanded before committees and the many changes that are effected during the course of a bill's trail through the legislature.

And then the fact that legislators can continue to introduce bills following the opening 30-days presents another problem to the rules committee.

The discussion now is to permit unlimited introduction of bills during the first 90 days of the session, and following that period, adopt a rule not actually limiting introduction, but requiring a two-thirds vote to permit introduction of a new bill, and accompany the bill with a statement of purpose, a digest, and other information legislators and the public might want.

This procedure undoubtedly would keep the bills down and give legislators more of an opportunity to spend their time on the measures already before the house.

"The public," said Miller, "has mandated the legislature to get busy and get its work done. We feel the new system will speed up the operation, but of course, it will not if a pile of bills continues to be presented up to the 30-day before closing period."

"Consequently, many of us feel that a rule is necessary which will not abrogate the constitutional right of an assemblyman or senator to introduce bills, but which will make the introduction after a 90-day period a highly important event, and require much explanation and a consent before the measure comes before the two houses."

"We feel that under this new constitutional amendment we are required to speed up the operation, and therefore, intend to take all the legal steps possible to effectuate the purpose of the amendment."

Many other problems will arise, primarily the printing of a bill digest, but Miller expects that all will be solved before January.

## STRICTLY STRICKLAND

By Bill Strickland

Last years Reno Ski Club Sno Ball had a large representation from Tahoe and the Sierras—but this year's get together, for some reason, was completely overlooked by the Sierra contingent. It was a very successful event, however, with over 300 in attendance. Like most other activities, the crowd changes very drastically from year to year. There were a lot of new faces but not too many that we recognized. Jerry Wetzel, Hal Coddling, Gordy Wren, Bill Parrish and Stan Reeves were among the perennials. Saw Gordon Hooley, Hotel Maps assistant manager, also Keston Ramsey from Mt. Rose Bowl. Ernie and Day Tschopp arrived about the middle of the evening. Ernie told me that his daughter, Smiley, would not at-

tend the FWSA team tryouts because as he understood it the entries would be by invitation. That was quickly corrected, and she will now attend the try-out meets. Smiley is a fierce competitor and could well be a real surprise. At sixteen, she is certainly one of the west's top prospects, and when you consider some of our past Olympians and their ages at the time of the team selections, Smiley's chances, comparatively seem to increase. Andy Mead was 16 when she started her winning ways, as was Betsy Snite. Smiley is a graduate of our Soda Springs area, skis for Squaw-Valley-Lake Tahoe Ski Club and is now a resident of Reno. Add her name to our list of candidates—and, once again—the try-outs and NOT-repeat-NOT, invitational but are open to all Class A skiers, both men and women, as well as any member of last year's junior national team. Got it? Then let's go get 'em!

The second annual press-rama meeting of the winter sports writers association will be held

Thursday evening at 8 p.m. at the San Francisco offices of the 1960 Winter Olympics Organization Committee, 333 Market Street.

Last year's initial event received wide acclaim. Its purpose it to acquaint the winter sports writers with the plans and hopes of the various functional organization allied with organized skiing.

Invited to attend as guests are the heads of the following: Northern California and Nevada Lift and tow Operators; Ski patrol; avalanche control; State Chamber of Commerce Dept. of recreation; forestry department; Olympic Organizing Committee; ski instructors association; state highway department; bay area ski federation; far west ski association.

On the agenda a special awards ceremony will be worked in. Unfortunately the nature of this award cannot be made known at this time. But, stay tuned, we'll let you know about it as soon as it's released.

Had a letter today from Jack Geyer, publicity director of the Olympic Organizing Committee. To quote in part: "Thanks a lot for your most informative column. I've started a file on possible Olympians—United States and otherwise—in all the sports and this comes mighty handy." End quote.

Any information you might care to send me, will be sent on to Geyer for his files. Now if we could just get paid for some of the stuff we write, we'd be in business.

The seasons first ski meet was run off in near perfect weather at Squaw Valley. Sixty-two intrepid flyers attempted to get to the finish first and fastest. However, racers from the Pacific Northwest Ski Association walked away with the top honors.

Don Gassaway, a 24 year old Seattle resident peeled through the 28 gate course in 31.6 seconds. This was Don's 3rd victory for the turkey trophy so he has now gained permanent possession of the trophy.

Dottie Campbell of Seattle was the winner in the Women's Division. Completing a 24 gate course in 24.3 seconds to best Sonja McCaskie-SV 25.9 and Peggy Burns-Yuba Sutter 28.5.

Other winners in Men's Class A were Larry Larson of California 32.5, Rusty Crooks-Reno 33.2, Chris Berg SV-LT 32.9, Mickey Hogan 33.1, Doug Gaynor 33.2, Peter Klausen SV-LT 33.4, Dick Dornworth Reno, 34.1.

Babette Hauelsen SV-LT was the women's open class winner in 32.2. While Bill Young of Heavenly Valley and Bill Briner of SV-LT ran one-two in the men's open classification.

Young Jon Madsen of Reno was the winner in Men's Class B.

Ran into several members of the winter sports writers association. Bill Berry of U.P.I. and Jerry Wetzel of the Nevada State Journal accompanied us on a look see ride up KT 22's new chair lift. Carson White of the S.F. Examiner and Eric Johnson of the Berkeley Gazette were getting for their news columns. Coming down the KT 22 Lift affords a most

## SAFE WALKING TIPS

### SET A GOOD EXAMPLE

Children are notorious copy cats, particularly of their parents. It is their way of learning how to live in the world. This is particularly true of the way they handle themselves as pedestrians.

If father jaywalks, junior sees little reason to cross the street only at the intersection. His father did it, and that is good enough for him.

For that reason, the wise parent will try to set a good example in his walking habits. He will abide by pedestrian laws and ordinances, and not just when junior is with him. Children are not easily deceived in such matters, says the American Automobile Association. If you want your youngster to be a good pedestrian, be one yourself.

# IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Adjourned meeting November 19, 1958.

Present: John T. Trauner, Clerk, Wm. J. Cassettari, Deputy District Attorney.

The meeting was called to order by the Chairman of the Board at 10:00 a.m. and all members of the board were noted as present.

The minutes of the meeting of November 3, 1958 were read to the board and upon a motion made, duly seconded and passed unanimously, the minutes were approved as read.

At this time a statement was made by the Chairman of the board relative to the position of Temporary Superintendent of the County Hospital reflected in the minutes of November 3, 1958. The chairman stated that the position occupied by Mr. Leland Mitchell is on a temporary basis until either the return of Mr. Charles W. Veale, on leave of absence, or in the event Mr. Veale does not return the job would be open to examination to all qualified applicants.

The county clerk presented the board with a certified abstract of the votes cast for and against each candidate, and for and against each proposition, at the general election held in the county of Nevada on November 4, 1958. A motion was made, duly seconded and passed unanimously, accepting the certified abstracts of the votes cast as presented by the clerk.

A motion was made, duly seconded and passed unanimously, directing the clerk to issue certificates of election to the following persons: Verle Gray, Judge of the Nevada Judicial Court; Charles R. Kitts, County Assessor; and Albert A. Ahearn, Public Administrator.

At this time a motion was made, duly seconded and passed unanimously, to pay the following warrants out of the county general fund for the November 4th general election:

eral election:

Warrants No. 1153-1231 \$9,573.41  
Petitions having been received for the appointment of a person to fill the unexpired term of Dwight Moore, resigned, as Director of the Soil Conservation District, the petitions were read to the Board in favor of Dr. Elbridge Best and Mr. Earl Dow. A motion was made by supervisor Bishop, duly seconded, placing Dr. Best's name in nomination, and a motion was made by supervisor Robinson, duly seconded, placing the name of Earl Dow in nomination for the position of Director. The chairman informed the board that the Clerk would poll the board and each member thereof would indicate their choice by voice vote.

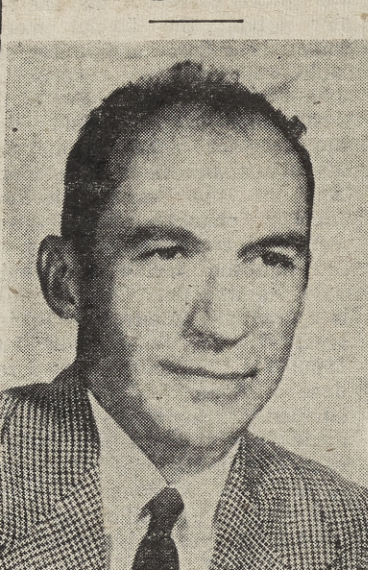

District 1- Dr. Best  
District 2- Dr. Best  
District 3- Earl Dow  
District 4- Earl Dow  
District 5- Dr. Best  
It appearing to the board that Dr. Best receiving the majority of votes cast, the clerk was directed to notify Dr. Best of his appointment and furnish him certificate forthwith.

Mr. Edward Fellersen, county superintendent of schools, appeared before the board with a certificate as to the results of a change of boundaries election, and after a discussion with the board members, a motion was made, duly seconded and passed unanimously, issuing an order changing the boundaries of the Oakland School District.

A motion was made by Supervisor Robinson, duly seconded and passed unanimously, granting permission to the county superintendent of schools to attend a conference on December 1st, 2nd, and 3rd in Sacramento. The expenses incurred therein are to be deemed a proper county charge.

Mrs. Margery Worth appeared before the board and rendered a report on the activities of the Welfare Department. A discussion was entered into with Mrs. Worth and

## BILL FINGER WILL SEEK SENATE JOB IN SPECIAL VOTE

BILL FINGER

Bill Finger, Roseville Republican, today announced that he will be a candidate for the office of State Senator for the 7th Senatorial District. The district includes Placer, Nevada and Sierra counties.

The former Roseville mayor is a graduate of the Roseville schools, Sacramento Junior College and the University of California, in 1940, where he majored in anthropology.

Finger was born in Sacramento in 1917. After graduating from University he spent one season in Alaska as a prospector. He served with the Air Force for three and one-half years during World War II and was in the European Theater of Operations for two of those years.

He has been in business in Roseville from 1950 until 1952.

Finger has served on various boards and committees of a civic nature in Roseville and in the county and is presently serving his second term as a member of the Placer County Board of Education. He is married and the father of a 15 year old daughter.

the board relative to the classification of Medical Care Assistance. A motion was made by Supervisor Smart, seconded by Supervisor Bishop, directing the District Attorney to create a Salary Ordinance Amendment to provide for Medical Care Assistance at Range 17. Upon a roll call ballot, a unanimous vote was recorded.

At this time Clare Hughes, County Purchasing Agent, appeared before the board and entered into a discussion with the board relative to a lease agreement for a patrol car for the Sheriff's office. A motion was made by supervisor Smart, duly seconded and passed unanimously, authorizing the chairman to sign an agreement with the Hertz Corporation to provide a 1959 Chevrolet Station Wagon for the Sheriff's department.

At this time the Board adjourned for lunch to reconvene at 1:30 p.m. AFTERNOON SESSION

The board reconvened at 1:40 p.m. and it was noted that Supervisor Coughlan was absent.

Mr. Clare Hughes, county purchasing agent, again appeared before the board and discussed the possibility of painting the Veteran's Memorial Building in Grass Valley. Final determination on the matter was deferred until December 1, 1958.

Miss Elma Hecker, county tax collector, appeared before the board and requested permission to enter a Tax Sale for certain tax delinquent properties. A motion was made by Supervisor Smart, duly seconded, to adopt Resolution No. 58-53 authorizing such a tax sale. Upon a roll call ballot a unanimous vote was recorded.

At this time Mr. C. Z. Smith, chairman of the re-development agency, and Mr. Stan Halls, chairman of the building committee, appeared in the board room and entered into a discussion relative to the building program in effect in the county.

It was noted that Supervisor Coughlan appeared in the board room at 2:10 p.m.

A general discussion ensued with Mr. Hall and Mr. Smith on the feasibility of securing options on available sites for a building in the Truckee area, and either a parking area or an annex in the Nevada City area. It was agreed by Mr. Hall, Mr. Smith and the board that the following steps would be taken by the building committee:

1. Option on the property in Truckee.
2. Option on suitable property in Nevada City.
3. Requesting of a representative of the Financial Consulting Firm to appear at a subsequent board meeting.

Ordinance No. 225 creating the position of Medical Care Assistance in the county of Nevada, was read to the board by the clerk, and a motion was made by Supervisor Smart, duly seconded, to adopt Ordinance No. 225 as read. Upon a roll call ballot, a unanimous vote was recorded.

At the request of Supervisor Robinson the election officials for the San Juan Ridge County Water District election were changed from the original appointments to the following appointments: Inspector-DeVone Addleman

### Weather

Saturday, how beautiful it has been all through Thanksgiving week. The lake was never more lovely. Lake Tahoe at its best, and the sunsets beautiful.

### Bonnie Scotsland

Did you ever go there: If not visit the Tahoe Highlanders at Kings Beach. It is the next best thing and swell fellows to greet you.

### Fashion Show

Jo Ann Van Hooser says that the Rainbow Girls of Hope Assembly 13 presents their annual fashion show at the Masonic Hall in Truckee. There is to be a luncheon at 1 p.m. followed by the fashion show. This will be held Sunday, December 7th. Let's give the girls a good showing of friends.

### Reminder

It's getting close—the Christmas party of the Lions and Felions Club. It's to be held at the utility plan on the Gun Club road, December 9 at 7 p.m. It promises to be a big one.

### The Navy Was In

Kenny Lavery of the Cruiser St. Paul, anchored at Long Beach, and Davy Ashton of the Carrier U.S.S. Kearsarge anchored at San Diego, were visiting their families at Kings Beach this weekend. A real happy couple of boys.

### Visiting

Alice and Andy Sorenson have been in Pasadena to stay for a while with Susie and Roy MacMillan and their grandson, Gregory and the new twin babies. The names given were Timothy Scott and John Michael.

Diana (Abbott) Lemke and her husband and baby son, surprised their parents, Byron and Wilma Abbott early this week to spend Thanksgiving holidays at Kings Beach. They are from Summer, Wash. Their Thanksgiving dinner was with her sister, Jackie, and her husband in Reno.

### Christmas Coming

Have you visited Crystal Bay Club lately? Very gay with their Christmas decorations. The first so far to welcome Santa Claus. Take a look at Johnny Rayburn, Slim LaBorde, Wiley Jones, etc. All of them good old Santa's and don't need uniforms either!

Ford's Theatre in Washington, D.S., in which Abraham Lincoln was assassinated April 14, 1865; is now a museum of Lincolniana.

Judge-Vera Hibbs  
Clerk-Mildred Lusk  
Clerk-Mary E. Kehn  
The clerk presented an agreement from the 17th District Fair Association, to provide the sum of \$10.00 per day rent for the use of the Main Exhibit Building as a polling place. A motion was made by Supervisor Smart, duly seconded, authorizing the chairman to sign the agreement in the name of the county. Upon roll call ballot, a unanimous vote was recorded.

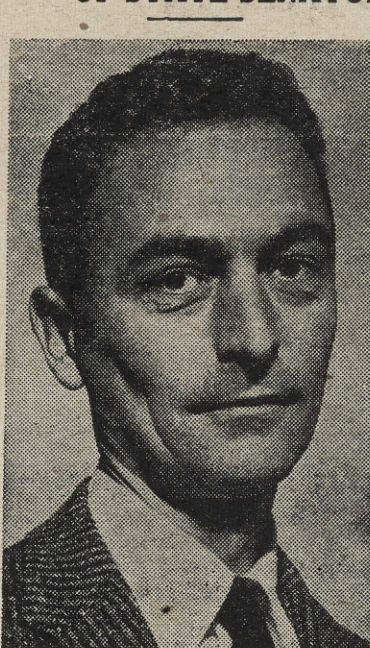

The Notice of Hearing on a petition for a change of boundaries was presented to the board by the clerk, changing the boundaries of the Grass Valley School district and giving notice that the first day of December would be a public hearing. The notice was ordered filed.

There being no further business to come before the board at this time, a motion was made, duly seconded and passed unanimously, to adjourn Sine Die.

## COLLEGE TEACHER WILL FILE FOR JOB OF STATE SENATOR

HAROLD RUBIN

Sierra College Instructor Harold Rubin this week announced his candidacy for the state senate post being left vacant in January by Harold Johnson. An election in March or April will name a successor to represent Sierra, Nevada, and Placer counties.

Rubin has been on the staff of Sierra College for the past eight years where he teaches political science and journalism.

In 1957-58 he was one of 50 American college instructors selected by the state department for assignment to European teaching positions under the Fulbright program. While abroad Rubin taught a year-long course in American political and social problems at a Dutch college.

Prior to World War II he received his bachelor's degree in journalism from the University of Oklahoma and was elected for membership in Sigma Delta Chi, the national professional journalism fraternity. He worked as a reporter for the San Antonio, Texas, Evening News before joining the air force in 1941.

He received his master's degree and taught for two years in the southern part of the state before accepting an appointment to Sierra College.

Rubin has been active in local democratic party work. During the recent elections he served as Placer County publicity chairman for the Brown-Engle campaigns.

Rubin, 39, lives on Duncan Hill outside Auburn. His wife, Helen, is employed as a legal secretary by Attorney John Couzens. A daughter, Carol Ann, is a freshman at Placer Union High School.

From east to west, Alaska extends through four time zones.

FIFTH GRADE: Gordana Trimble added a continental flair to the class when she distributed some pictures and souvenirs she had collected at the Brussels World Fair.  
Betty Saarni, Candy Hamilton, Judy Knoff and Dianne Pankoke were top girls scholars for the first reports card period, while Walter Dallas, John Sturcke, Ricky Ralphs and Dave Douglas were the top boy students.  
The fifth grade basketball team got a little cocky and were dumped by the sixth grade Monday with an 8 to 3 score. Then after gaining a lucky tie 8 to 8 in which they were definitely outplayed, they rebounded to their old form and dumped the sixth 10 to 5 and 18 to 8. Once they got going it was John Besio and Doug Nelson pro-Larry Digesti, Ricky Ralphs, Don Stowe and Monty Strub hustling on defense.  
**Kings Beach School**  
Wednesday, the Kings Beach Student Body met at their regular monthly meeting under the Presidency of Mike Knittel. Peggy Cernusak reported that we have taken in a net of \$19.56 on our showing of the film "Bataan". Our next movie will be "Treasure Island". It will be shown in our multipurpose room Friday, December 5 at 7 p.m. Everyone is invited. Children (all ages) 25c and adults 50c. We expect a larger crowd at the next movie.  
FIRST GRADE: Rickey Holley has been out of school two weeks with the flu. We hope Rickey gets back in school as his friends miss him.  
Jimmy Hallahan went to Las Vegas Monday.  
SECOND GRADE: Cindy Plunkett had a birthday party at her home this week. The following girls from our room attended: Linda Jephson, Debbie Hilgesen, Sandra Martin, Jennifer Hoffman, Madeline Mullis, Donna Martin, Shelley Wilson, Mickey Barker, Karen Malley, and Carole Salas.  
Stanley Mason spent his vacation at Disneyland.  
During arithmetic, we used a real clock to learn how to tell time. Each of us took turns in setting the hands at a certain time. Learning to tell time is fun.  
SIXTH GRADE: This week we started the chapter of the West Indies in Social Studies. We have just started reading our Living in Latin America books.  
We have lost Roy Grice. We have two new students this week. They are Lisa Davis and Larry Ingram.  
We had our class meeting this week, and decided to choose names and buy gifts for Christmas.  
There was a student body meeting Wednesday. Estelle Howell and Jon Hill are our representatives for our room. Mrs. Corbin's first grade put on a program for us.

## Now Featured at Nevada Lodge

Now featured at the Nevada Lodge—Lake Tahoe's only year round resort hotel-casino are "The Syncopates"—one of the most exciting new trios to come to the Reno-Tahoe area in a long time.  
"The Syncopates" consist of two attractive and talented girls, Edie and Beth, backed up by handsome, debonair Sal. Although the trio is relatively new, each of "The Syncopates" has had many years of experience in show business, including playing many of the better hotels, supper clubs and cocktail lounges across the country.  
Edie is recognized as one of the great girl accordion artists in show business. She plays terrific accordion and doubles on a solid, rocking piano. Beth is a fabulous marimba player, who doubles on bass, vibes and congo drums, while Sal accompanies the two girls on a full set of traps.  
They have played The Hungry I and the Purple Onion in San Francisco. For the past two months they they packed Los Angeles' Ash Grove. Variety, Billboard and other entertainment journals consider them a "must see" . . . "one of the fastest rising new duos." The two popular folk singers complete their stay at the beautiful Nevada Lodge on December 9.

SEVENTH GRADE: Sandra Riggs reports: We, the seventh grade, have now completed units I and II of our world Ways book. Those who received "A" on the tests for Unit I were Bill Bate, Karen Lee Critchley, and Bob Holley.  
In spelling, the "A" were Karen Critchley, Lee Elliott, Bob Holley, Harry McIntire, Kim Molsberry, and Greg Thompson. The greatest improvement was made by Peggy Cernusak and David Payne.  
Over twenty students had their parents attend a group conference Monday night. The plans and methods for the year were discussed. The parents expressed their feelings of greater understanding and felt they could help their children better.

## TNT TIDINGS

By Nancy Watts

Report cards were issued Nov. 21 to all students who did not have fines to pay. Fifteen points were required to be on the Honor Roll. In order to earn an Honor Pin, a student must make the Honor Roll for three consecutive quarters. For a senior, these quarters must be the first three of the year.

World clothing week will be from December 6th-12th. The High School is expected to have a drive to collect old clothes.  
Dances have been held every day at noon in the gym for a couple of weeks, now. There is no admission, and everyone seems to enjoy them.

The long-postponed variety show, given by Mr. Minor Rootes' Drama class, was finally held Friday, November 24th, at 8:30 in the High School Gym. It certainly showed the tremendous amount of work that the class has put into it. Congratulations, kids!

The seniors have already started planning the annual Christmas Dance, which will be held December 13th. Not much else is known yet, except that bids will be sold for it, and it is sure to be lots of fun!

The cheerleaders and songleaders, in order to help pay for new uniforms for the basketball season, held a party last Saturday night. The charged admission, and, they hope, enough money to pay for their new clothes.

Don't forget the first basketball game of the 1958-59 season, this weekend. We want a tremendous attendance!

### DONNER SUMMIT NEWS

BY DONNA POWER

**Restaurant Opens . . .**  
Snow Queen is the name which has been given the restaurant to be opened December 10, in the Octagonal building adjoining Pratt's garage in Soda Springs. Owners Mr. and Mrs. Bisson will prepare and serve breakfast, lunch and dinner. Customers will be able to choose their dining and dancing music from the coin record player. Next year Mrs. Bisson expects to operate the restaurant as a German black forest style dinner house serving only German dishes.

**A-1 Record . . .**  
The area California State Highway Patrol reports only one accident during the four-day Thanksgiving holiday. This mishap occurred at Kings Beach with no injuries resulting. Congratulations, careful drivers!

**Grand Opening . . .**  
The Zorich Ski Shop in Soda Springs will be officially opened for this year's winter season on December 6, says owner Bud Zorich. At present the shop is experiencing activity as never before. Barbara Zorich is seen pricing and displaying new stock as Bud Zorich, Vince Lyddane, and Jim Simmons, recently employed parttime in the shop, continue remodeling. We wish them a most successful year.

**Misener's Visit . . .**  
Mr. and Mrs. Misener have enjoyed spending the past weekend at their former home in Soda Springs. The Misener family now make their home in San Bruno.

**Shots Received . . .**  
November 26 was the day the children of the Donner Trail School were given immunization shots free of charge by Dr. Kenneth Turner of Truckee. He was assisted by his nurse and the Tahoe-Truckee School District nurse, Mrs. Charlotte Patnoudé.

**Crest Lodge . . .**  
Crest Lodge, which was completely destroyed by fire November 20, will not be rebuilt, says owner Charlie Secco. The building was a total loss, as it was not insured. Secco has no future plans beyond cleaning up the remains which is the job currently being done by Mr. Stockdale. Because of her loss Mrs. Ward will make her home in San Francisco where she plans soon to open a dry cleaning business.

**No Cook . . .**  
Donner Trail School again finds its staff without a cafeteria cook since November 20. Mrs. Ward who has been the cook finds it necessary to make her home in San Francisco. Miss Power, primary teacher at the school, has been preparing lunches. Mrs. Schull has helped a great deal. Mrs. Isle Bisson is expected to fill the position very soon.

### REPUBLICAN WILL SEEK POST LEFT BY STATE SENATOR

FRANK CHILTON, JR.

Frank Chilton, Jr., prominent Placer County businessman, today announced he will seek election to the state senate office soon to be vacated by Congressman-elect Harold T. Johnson.

The office represents the seventh senatorial district of California, comprising Sierra, Nevada, and Placer counties.

Chilton, 38-year-old Roseville resident, said he will run under the republican party banner.

In announcing his candidacy, Chilton said:

"I feel there is a tremendous responsibility linked to the office of state senator. Careful thought must be given to issues of great importance, affecting every walk of life.

"The next legislative session will require some vital decisions on the part of your elected officials—decisions on such matters as state finances, and water.

"I pledge my full efforts to pursue all aspects of each and every problem that arises, striving for an orderly planning and manage-

ly it was. The days of peace were over, only days of tragedy and confusing lay ahead. Even now there are those who call out, "Peace! Peace!" but there is no peace. Pastor Taylor will discuss our threatening situation in Sunday's sermon entitled: "Living on a Diagonal."

### TRUCKEE BIBLE CHURCH

(Non-denominational)  
Roy S. Rhoades, Pastor  
We were privileged last Sunday to have Rev. J. D. Dixon as our speaker for the morning. He is a member of the staff of student Missionary Council, pastor of a Bible Church in Washington and carries on a weekly radio ministry in Tacoma.

This Lord's Day we shall observe the Lord's table in remembrance of him. The Pastor's message will be the same that was scheduled for last week. "Professors or Possessors" or "Where are the Dead" are two equally descriptive titles for the sermon which will deal with true members of the church of Christ.

Teen-time will meet Thursday evening at the church from seven to nine for a backward party. Everyone will have to dress backward, talk backward, enter backward, and etc. Prize will be given for the most backward contender of the evening.

### BEST POLICY IS TO YIELD RIGHT OF WAY

"It is better to yield than to take the right-of-way."

So commented Sgt. F. H. Snyder, commander of the California Highway Patrol's Truckee Substation in discussing driving faults that usually have disastrous effects.

"Violation of the right-of-way provisions of the vehicle code is second only to excessive speed as the cause of traffic accidents,"

ment of the increasing complexities of state government business."

Chilton was born on May 22, 1920, in Sacramento to Mr. and Mrs. Frank Chilton of Roseville, descendants of two pioneer Placer County families. The senior Mrs. Chilton is the former Marjorie Fiddymont, daughter of Walter F. Fiddymont.

Chilton was educated in Roseville schools and a graduate of the University of California at Berkeley where he majored in political science—the study of government.

Chilton is married to the former Barbara Kinney of Oakland. He is the father of four girls ranging in ages from 1 to 12.

Sergeant Snyder continued. "Probably the most frequent violation of right-of-way occurs at intersections that have neither traffic signals nor stop signs.

"Highway patrol records show that during 1957 more than half of the collisions at intersections were between vehicles entering the intersection from an angle. Someone failed to yield the right-of-way in all of these accidents."

Sergeant Snyder suggested that if all drivers took the attitude that if there is any doubt at all the other fellow has the right-of-way, intersection collisions would soon be reduced to an absolute minimum.

Some 1300 students are taking one or more of 40 courses offered in various phases of army and air force guided missiles and rockets at the Army Ordnance Guided Missile School, third largest education in Alabama.

## WILL FILE FOR STATE SENATOR

**ALDO C. PINESCHI**

Aldo C. Pineschi, well known democrat, has announced he will file his candidacy for state senator of the 7th senatorial district when Senator Harold T. Johnson resigns in January to fill his new office in the United States Congress.

Active in Roseville affairs he was chosen by the chamber of commerce as one of the young men of the year. Pineschi is a former member of the Placer County Democratic Central Committee, and was a member of the committee to select the first city manager for Roseville. As a political science major at Sacramento State College he represented the school as chairman of the nine man delegation to the model United Nations held by 67 colleges at the University of Washington.

He was twice elected president of the Brotherhood of Railway Carmen of America, Local 231, and works nights as a journeyman carman at the Pacific Fruit Express Company while attending Sacramento State College days. He has served as a member of the governing board of Roseville High School for nine years and also served as president. Pineschi is an active member of the PTA and is a veteran of 37 months during World War II. He has been a member of Roseville Post 1661 of the V.F.W. for 13 years.

He is 35 years old and has been active in democratic circles for the past 14 years. He and his family, his wife Claire, his three children, Leah 10, Alan 6 and Aldo Jr. 1, reside at Roseville.

On his third voyage to the New World, Columbus landed near the Orinoco River in Venezuela August 1, 1498.

## PROPER LIGHTING IS STRESSED BY PATROL

SACRAMENTO—The proper use of vehicle lighting equipment is necessary for safety at night, says the California Highway Patrol.

"Using parking lights as driving lights and failure to use the proper headlight beam when following, passing, or meeting another vehicle on the highway are two prominent hazardous and illegal practices," declared Patrol Commissioner B. R. Caldwell.

"Parking lights when used as driving lights tend to deceive the other driver, creating false illusions of distance and speed of oncoming cars. A blinding high beam from an oncoming car or a car following you can reduce your vision to zero for a few seconds at least."

The commissioner emphasized that lowering the beam to avoid blinding the other driver is a legal responsibility of every motorist when driving at night.

"The law requires you to use the lower beam when approaching an oncoming car within 500 feet or when following another car within 200 feet," he continued. "The law also makes it illegal to use the parking lights as driving lights anytime upon a highway except when such lights are being used as turn signals in accordance with the vehicle code."

"The patrol urges every driver to keep in mind that the proper use of lights is a symbol of your courtesy; drive within the law and avoid accidents."

#### THE SILENT KILLER

"The bodies of seven persons, including a baby, were removed today from a rural home." These seven persons died from breathing the fumes of an unvented gas heater. Before the winter is over, similar heart-breaking stories will appear in newspapers throughout the state. With the coming of winter and the need to turn on our heat and close our windows, carbon monoxide is a danger to which any of us may be exposed.

The best way to avoid exposure to carbon monoxide is to be sure that all gas, oil or coal heating equipment is properly adjusted and vented to an open chimney.

A few safety precautions follow: Before each year's heating season begins, check the heater unit you are using to determine its safety. Do not retire for the night with a gas fire appliance burning in the home. The unit may be operating safely during the day and evening but during the night something may occur which may make it a grave danger. Always have some ventilation in a room

where a gas appliance is burning.

Even though combustion is complete, the combustion process consumes much of the oxygen in the air in a room. Do not use a stove or heater designed for natural gas butane, propane, or vice versa. Never use a rubber hose for connecting heating appliances to gas service lines. Pipe or metal tubing should be used in making connections. Do not operate a gas heating device at an excessively high burning rate. Many gas heaters produce no carbon monoxide when operated at their designed rate but produce dangerous quantities if too much gas is burned.

Proper regulation and operation of air mixing valves, dampers, air ports, etc., are essential. Never boil large quantities of cold water on a gas stove or heater in a poorly ventilated room. Each winter brings its toll of death from serious accidental poisoning, from deadly gas carbon monoxide. Many of these deaths, some of them cases where families are wiped out can be prevented by following a few simple rules.

#### Newlyweds Return To Truckee Home

Major and Mrs. Robert Edwards have returned from Lone Pine following their marriage there on November 18 at the Santa Rosa Catholic Church at a 7 p.m. ceremony.

The wedding consummated a friendship of more than 30 years when the bride, Helen Margaret Gunn and the retired army officer, well known in Truckee where he has been employed by the state division of highways, exchanged vows.

The happy couple was attended by Mrs. Travis Roe Hobbs of San Dimas as matron of honor, and Wells O. Abbott of Independence as best man. Ushers were Judge John P. McCurry of Independence and Charles P. Cline of Gabbs, Nev. Mrs. Paulin Aigner presided at the organ and her sister, Mrs. Juanita Ellis, sang.

The bride was born in Independence, daughter of the late Eva Lee and Jack Gunn, and the granddaughter of the pioneers, Mr. and Mrs. John Shepard, who came to the Owens River Valley in 1862, settling at George's Creek, later called Manzanar. Her early years were spent with her parents at the Minnetta Mine in Panamint Valley, in Independence, and San Francisco. She attended Ursuline College at Santa Rosa, and is an alumna of that school.

The groom was born at Allentown, Pa., son of the late Mr. and Mrs. Edward Edwards. He is a graduate of the United States Military Academy at West Point, graduating with the class of 1920. He served in numerous cavalry stations in the United States and the Philippines, retiring from the service in 1942. Since that time he has been employed by the Division of Highways, at Truckee.

#### TAHOE CHAMBER TO HAVE GAMES GROUP

The Lake Tahoe-Sierra Chamber of Commerce, once again showing its full cooperation with the Organizing Committee for the VIII Olympic Winter Games, has formed an official Olympic welcoming committee.

Purpose of the new committee is to extend the hospitality of the area to visitors who plan to attend the games, which will be held at Squaw Valley February 18 to 28, 1960. Current plans call for setting up several information booths at Lake Tahoe, to be manned by volunteer women's service groups.

Chairman of the committee is Robert J. McMahon, president of the chamber. Other members of the committee include prominent businessmen and civic leaders in the Lake Tahoe area. They are Joseph F. McDonald, who serves as honorary chairman; L. L. Anderson, Frank J. Paoli, members of the board of supervisors; Norman Mayfield, Mrs. Oddine Gunkel and Chris Kuraisa.

#### GIFT AWARDS

The Truckee Parents Nursery School announced that the doll and her attractive wardrobe, previously displayed in local store windows, was given Mrs. Walter Barrett and the truck set was awarded to Mrs. Ben King.

#### MYF OFFICERS TO MEET

All officers of the M.Y.F. are asked to attend a meeting with Rev. J. Taylor to be held Sunday evening at 8 o'clock in the Church of the Mountains. The general sessions for members will be again held the first Sunday in January.

#### NEWS NOTES FROM TAHOE

by MYRTLE CARNELL

Thanksgiving Day at the Lake turned out to be one of those beautiful fall days everyone wishes for. Many families and friends united in prayer and thanksgiving on this day and a feeling of good will filled the air. It seemed too bad that this feeling cannot prevail all year with the spirit of friendship and understanding that is put forth during the holiday season. We all have so much to be thankful for if we just look around and count our blessings.

#### Thanksgiving Blessing

A blessed event was added to the Gordon Butterfield household on Thanksgiving Day with the birth of little David Trent, who came into the world at 11:18 a.m. weighing a good six pounds, 11 ounces. Helping with the good tidings were Dr. Ben King and the staff at Tahoe Forest Hospital. The proud parents, Pat and Gordie, now have a little girl and boy and sister, Cathy, is quite pleased with her new little brother.

#### Other November Babies

Richard Locke, superintendent of Gay Engineering Company, doing construction work at Squaw Valley became the proud father of a little girl weighing seven pounds and 14 ounces. Brenda Diane was born on November 11. Mother, Mary, is quite pleased with her little girl.

#### Added to Staff

Added to the staff of the public relations department for the 1960 Olympics is Pan Irish, secretary to Gordon Butterfield. Miss Irish has recently been employed at Squaw Valley. She is familiar with the area as she lived here for several years.

#### Enjoy Vacation

Bill and Shirley Conger, for many years owners of Congers Cafe in Tahoe City, are really enjoying a much deserved vacation. After a stop at Bishop to visit friends, they motored to Palm Springs to visit with Erving and Virginia Williams who are there for the winter. After a delightful time there they left for Parker, Arizona where they are now parked on the bank of the Colorado river, enjoying life.

#### DANCING CLASSES AT LAKE ARE OFFERED

KINGS BEACH—Shiela J. Foy, A.I.S.T.D., who holds her degree from the Imperial Society at London, is opening an academy of dancing at Kings Beach immediately. For the time being the classes will be conducted at the Pine Pantry.

Miss Foy danced professionally all over the country but for the past nine years has conducted an academy at Marysville. She will instruct in all types of dancing including ballet, ballroom, tap, acrobatic, Hawaiian and Spanish.

Students may register at the Pine Pantry Mondays and Tuesdays.

#### LAKE LEVEL

TAHOE CITY—With seven gates partly open, the level of Lake Tahoe Monday was 6227.42 feet (provisional and subject to revision). No precipitation has been recorded and the temperature has ranged from a cool 24 to a high 47 degrees.

#### HUNT ELK—

Mr. and Mrs. W. D. Davis and children of Donner Lake returned last weekend from an elk hunt in Montana.

#### Christine Bechdolt Wed Angelo Bonino

TAHOE CITY—A beautiful nuptial ceremony was performed for Christine Bechdolt and Angelo Bonino on November 29 at 11 a. m. by Father P. J. O'Neill, assisted by Fathers Brennan, Boland and Roswog.

Christine was given in marriage by her father, Carl Bechdolt, Jr. Her servers for the ceremony were Parky Bechdolt and Danny Connors. Attending the bride were Sharon Bechdolt, maid of honor, who wore a two-tone rose red dress with matching pumps and a bow headband matching the darker shade of red in the dress. The bridesmaids, Duane Perata, Joanne Lambert, Kurty Kaiser and Evelyn Stindfield, wore gowns of two-tone green, matching green pumps and a flat headband with bow matching darker green in the dress.

Melinda, younger sister of the bride, was flower girl and wore a darling dress with red velvet bodice and white skirt with tiers of lace eyelet bordering each tier. She was escorted to the altar by her brother, Cal, who was attired in a dark suit with a red carnation. The ring bearer was the younger of the Bechdolt family. Little Pat took his duties seriously and look-adorable walking down the aisle.

The bride's dress was breathtaking and unusual. The dress was very regal with its slim front tapering to a flowing back with insets of lace that were carried out in the neckline and sleeves. In her hand she carried a white prayer book with a corsage of white roses and stephanotis. The beauty of the gown was accentuated by the unusual colors of red and green as carried in dark suits with red carnations.

Best man for the ceremony was William Connors and the ushers were William Bechdolt, Mr. Martin and Mr. Schauer, brothers in law of the groom, and William Connors, Jr. All of the men were attired in dark suits with red carnations.

The solo, Ave Maria, was sung by Andree' Crehan, while Pat Vanni accompanied on the organ. Two other selections were sung by Andree' Crehan and Mazie Carnell. The altar and the sanctuary were decorated with bouquets of white stock and white carnations with white satin bows adorning the pews of the church.

The mother of the bride chose a lovely blue print for the occasion and this was set off by black accessories and a matching blue hat and a white orchid corsage. Mrs. Carl Bechdolt, Sr. wore a fall green dress with gold accessories and tiger orchid.

The church was filled to overflowing and the many friends unable to attend were deeply disappointed. Following the ceremony a reception was held at Tahoe Inn.

The couple boarded a plane in San Francisco that evening bound for a delightful honeymoon in Hawaii.

#### See Friends—

Mrs. Cecil Clepper and daughter, Denise, returned from Sacramento where they visited Mr. and Mrs. Ralph Graham.

#### FROM NEVADA—

Mrs. Maria Brown who has spent several months in Nevada has returned here for the winter.

#### YORKS HERE—

Mr. and Mrs. Russell York and children of Greenville were Thanksgiving guests of Mr. and Mrs. Lauren Russell.

#### Honored By Visit

KINGS BEACH—The Ladies Auxiliary of the VFW at Lake Tahoe's Crystal Bay were honored by a visit from Josephine Viane, president of District 3 on November 18. A regular meeting was held and refreshments served by Unadel Crawford and Wanda Brooks.

#### Tahoe Ski Club Will Hold Meeting Friday

TAHOE CITY—The Squaw Valley-Lake Tahoe Ski Club will hold a regular meeting this Friday evening, December 5th at the Squaw Valley Lodge. The program will start at 7:30 p. m. and will be a business session and entertainment. Dave McBride will preside.

THE JUNGLE LORD HAS FOUND A NEW COMPANION... IF HE DECIDES TO ADOPT THIS BOY WHOM THE PRIMITIVE MEDICINE MEN RESCUED FROM A BURNING AIRPLANE.

THE MYSTERIOUS ORPHANED BOY, WHOM TARZAN NAMES ITO, HAS MASTERED MANY WORDS. THE TIE BETWEEN MAN AND BOY HAS INCREASED QUICKLY.

LET MONKEY SLEEP IN TREE! LET SNAKE SLEEP ON GROUND! YOU TAKE HAMMOCK AND CUTLASS AS PRESENT FROM MEDICINE MEN.

MANY THANKS, MOMBAL!

LISTEN CAREFULLY, ITO! WE HAVE A BIG DECISION TO MAKE-NOW: WHAT DO YOU SAY? STAY HERE WITH YOUR GOOD FRIENDS-OR GO WITH ME?

I, ITO, GO WITH YOU, TARZAN!

GOOD! WE TRAVEL TOGETHER! NOW LET US GO TO THE CHIEF--AND THANK HIM!

MY FRIEND BEPPU! I WILL MISS HIM!

WE SORRY LITTLE FIRE BIRD LEAVING US!

MY THANKS, MOMBAL, FOR MAKING HIM SO HEALTHY AND STRONG.

Bill Elliott John Celardo

WE HEAD FOR THAT MOUNTAIN, ITO. YOU TAKE MY KNIFE... I'LL USE CUTLASS.

WALK CAREFULLY AROUND THAT MOUNTAIN, TARZAN! VERY BAD MOUNTAIN EVIL SPIRIT LIVE THERE!

I SAW YOU, TARZAN, MANY TIMES-- IN MY SLEEP-- COMING FOR ME! THIS IS JUST AS I SAW IT IN MY SLEEP.

DREAMS, ITO, SOMETIMES COME TRUE!... I DREAMED LAST NIGHT OF A VERY PEACEFUL PLACE--SOMEWHERE FOR OUR HOME!

KEEP FAR FROM EVIL MOUNTAIN, TARZAN! YOU GO THERE-- YOU DEAD!
